Kids love what's in it, and moms love what's not. TruMoo Chocolate Milk has been formulated to contain nutritional benefits for your family, without sacrificing taste. It is sweetened just enough to help supplement the naturally occurring sugar in milk (lactose), but contains no high fructose corn syrup. TruMoo also provides 8 essential nutrients that kids need for critical development stages—making it a nutritiously delicious win-win for moms and kids. That's why there's truly no debate when choosing TruMoo!
