

IBEROSTAR ROSE HALL SUITES

A Five-Star All-Inclusive Resort

Montego Bay, Jamaica ★ January 23-28, 2020

Discover the Beauty of ... Jamaica

First discovered by Christopher Columbus in 1494, Montego Bay is backed by picturesque low mountains and surrounded by the Caribbean at its most iridescent. It's an island ripe for exploration and adventure, as well as lounging and relaxation.

There are farms, stables, all manner of water sports, as well as a number of historical properties, markets and museums. Step back in time at Croyden in the Mountains, a 132-acre working plantation; or tour more than 20 restored Great Houses throughout the island. These massive properties still house many original pieces dating back to the 1700s.

Superb golf is a main draw to the island, and the Cinnamon Hill and White Witch courses are two of the best. The latter was named after Jamaica's legendary Annie Palmer, who was notoriously known as the "White Witch of Rose Hall" for her fictionalized life of lechery and murder.

Seeking adventure? Soar through the trees on a thrilling Zip Line tour, go horseback riding along the beach or opt for a one-of-a-kind climb up Dunn's River Falls (pictured above).
