WHY ADD MILWAUKEE PRETZEL?

- Excellent Margins – 50%+ margin for operators.
- Faster heating times and longer table hold times vs other pretzels.
- Milwaukee Pretzels are the top selling appetizer on our customers' menus.
- Bavarian Pretzels are trending +66% on menus over the last 4 years!

REHEATING INSTRUCTIONS

- Remove pretzel from plastic bag. For best results use a thawed pretzel, but can be cooked from frozen.
- Lightly mist with water, butter or beer and gently sprinkle on the provided pretzel salt.
- Place directly on the rack or on a baking sheet in a 425 degree oven.
- See the chart for estimated reheating times based on product size. Note that heating times will vary based on your oven.
- You'll know the pretzel is done when the skin slightly cracks when gently pressed.
