NOW AT HOLIDAY WHOLESALÉ!

Flavor comes naturally for Jones.

Using all natural ingredients, there are flavors & forms to suit every appetite. From our original seasoning profile to maple & southern-style, to patties, skinless & case links. More importantly, we don't use fillers, preservatives, MSG & gluten.

We make it simple.

Fully cooked makes it not only easy to serve but keeps portion & cost control down to a simple science. With fully cooked breakfast sausage you're never paying for something that's going to fry away. You actually end up paying less for our sausage.
