

Hand Breaded Cheese Curds

Here at Kaufhold's Kurds, which has been family owned and operated since 1995, we don't mess around when it comes to curds. Which means no preservatives, no machines, no nonsense. We bread our curds in small batches by hand within a day of when they're made to lock in that peak freshness and drool-worthy flavor that will have your customers asking for seconds. And thirds.

Welcome to OnPoint

If you are participating in the scan data programs managed by OnPoint, you have made a smart decision to elevate your business.

Our mission is to empower retailers to enhance their competitiveness and increase profits by providing them with effective tools and programs. Collaborating with WAM and InfoBate, OnPoint's team of specialists gathers scan data from retailers, enabling us to deliver a range of value-added promotions and services to our clients.

WHAT DO I GET?

WAM Retailer Rebate Bonus Incentive

By participating, you will receive a Scan Data Bonus equal to 33% of your 2025 WAM rebates*

excluding the following programs: JUUL, Blue Triton, Hostess Chain Program, Mars Wrigley, Mondelez, Kellanova & Tyson. This bonus will be applied at the end of the year to your total WAM earnings and included in your WAM check

OnPoint (Center Store) Promotions

OnPoint is the only scan data solution that provides you with a full calendar of center store promotions from the best brands. Center Store Promotions is a unique offering retailers can give their customers. This includes deals and promotions from top manufacturer brands that promote volume lift and a scan incentivization on products already being sold in the store. Participating is a win-win.

Tobacco Partnership Programs

OnPoint and Patron Points have partnered to offer 6 months **FREE** Tobacco Programs

*Enrollment must occur before 12/31/25 to earn the bonus on the full year (1H, 2H and Annual programs). If you are not enrolled and submitting data by year end due to no fault of your own, then your WAM bonus will be unaffected. Failure to work with OnPoint in earnest effort to get your site installed can cause an ineligibility with your WAM bonus.

WHAT IS THE COST?

The entire program is free. As an optional service, if you decide to participate/add in the tobacco scan programs through Patron Points, there will be a monthly fee. *(After 6 months free)

HOW DO I ENROLL?

Enrolling in the program is quick and simple. Just inform your WAM distributor sales rep to sign you up for the "Scan Data Bonus Program" in the WAM/InfoBate portal. You'll receive an email with a link to the OnPoint Portal, where you'll provide your email, sign, accept the Data Sharing Terms, and install the program. The installation is guided and takes only minutes, with customer service available for assistance if needed.

An aerial photograph of a large resort complex. In the foreground, there are several swimming pools of various shapes, some with slides, surrounded by lounge chairs and umbrellas. The resort is lush with tropical vegetation, including palm trees and manicured lawns. In the background, a sandy beach meets the ocean, with several sailboats visible. A large island is visible in the distance under a clear blue sky.
